Dear Knitters,

We are off to a GREAT start for 2009! And to celebrate, we thought we'd introduce another contest. We think you'll like this one

Warm regards,

Kimberly Turnbow

NEW CONTEST

We want to thank those of you who are following Warm Woolies' [new donation acknowledgment policy](#) (and provide a little encouragement to those of you who aren't yet).

You can "enter" one time per month by sending in a box that complies

with the policy. We'll keep track of qualifiers and select one on the last day of each month. Prizes will be an assortment of needles, yarn, patterns, books and notions -- our choice. One "entry" per person, per month, so there is no need to mail pieces separately.

AMAZING BUT TRUE!

~So far this year Warm Woolies has delivered 2,270 pieces! That's a **great** start to the year! We're especially impressed because so many of the wonderful pieces are large and will fit the older children we're focusing on this year.

~Did you know that Warm Woolies has a Ravelry group with over 300 members? If you're not yet hooked on [Ravelry](#), you might want to check it out. If you're already a raveler, [join the group!](#)

~We know that times are tough. If you need yarn to participate, please let us know. Our [policy](#) is to provide yarn if you can cover our cost to ship it to you. We send what we have on hand, and if you're not picky about color, fiber, or weight, it's a **super** deal.

Gentle **Reminders**

- **SOCKS**

- Please make sure the leg/cuff is as long as the foot of the sock
- Please tie socks together in pairs

OUR GREATEST NEEDS

- We need hats the ***LEAST***
- We need sizes 6-16 the most

YARN DONATIONS

- We accept full, labeled skeins of animal fiber yarn

WE THINK YOU'RE GREAT!
